[EXPERIENCE]

BCREATIV, LLC

Columbus, N.J.

June 2012 - Present

Owner/Designer - Communicating directly with clients to produce Logos, Branding and Advertisement Materials, Custom Apparel and Print Media. Provides clients with in-house manufacturing of screen printed, dye sublimated, and embroidered apparel, plotted and printed vinyl signage, print collateral such as business cards, postcards, wedding invitations and presentation books along with various promotional products and awards. Provides on-site event, portrait and product photography using both natural and studio lighting. Other responsibilities include billing, advertising, sourcing and sales.

Clients: Princeton University, Philadelphia Union, CURE Insurance Arena, Amtrak, Rowan College at Burlington County, Penn University Sports

TURN5, INC.

Paoli, P.A.

November 2016 - March 2020

Graphic Designer & Photographer - Responsible for designing graphics and artwork for digital and print marketing materials, e-commerce websites, signage, apparel, environmental graphics, catalogs, vehicle graphics, and packaging. Managed internal style guides and asset libraries for store and private label brands. Designed, sourced, and worked directly with vendors to produce apparel for both internal use and retail sale. Also provided the creative team with vehicle lifestyle, product, and event photography for use in marketing material. Also was a key member of the Make-A-Wish Dream Team designing signage and various advertising, organizing show materials, coordinating vendors, show setup and breakdown, and live event coordination for the annual charity AmericanMuscle Mustang Show.

PANZANO & PARTNERS

Moorestown, N.J.

October 2014 - September 2016

Freelance Graphic Designer - Responsible for modifying existing templates, making revisions to work created by the Art Directors, creating new print and digital advertising, photographic retouching and manipulation, creating pre-production presentation samples for clients, binding presentations books and operating the wide format printer. Also provided product photography using personal camera equipment.

Clients: The Forbes Company, Macerich, Rouse Properties, Poag & McEwen, CrossIron Mills

INNOVATIVE AWARDS INC.

Hamilton, N.J.

May 2009 - June 2014

Graphic Designer / Production Manager - Designed and prepared digital files for use in outputs such as screen printing, wide format printing, laser engraving, dye sublimation, and vinyl graphics. Managed a team of seven employees operating various forms of printing equipment to produce products for retail and wholesale clients, while also communicating directly with clients processing orders, processing payments and running the showroom. Was also responsible for sourcing and ordering materials often with strict budgeting and time constraints.

Clients: Waste Management, The State of New Jersey, The College of New Jersey, Rider University, New Jersey Department of Transportation
